Road safety and fun at Mini Car Rally

A mini-car roadway was set up at the Sundial Friday afternoon as part of the Birthday Celebrations.

Toddlers to Seniors – let’s make Pinawa Age Friendly

Soon you will see a new Age Friendly Pinawa sign on the Pinawa sign at Vanier and Hwy 211. Your Age Friendly committee has been working hard on a variety of issues – some easy to solve and fix (like personal shopping at the Solo store for Seniors) and others that require a bit more effort and collaboration with public works (such as a designated safe crosswalk across Burrows at the Mall) and private businesses (replacing heavy doors with those that are easier to open).

Age Friendly Pinawa and the Pinawa Chamber of Commerce have produced a checklist for businesses to give them some pointers on how to be more Age Friendly. In the fall, the Chamber will hold a contest for the most Age Friendly business in town!

Several items on our agenda include: transportation and meal program options (if we have enough customers) and affordable housing. An information night will encompass “All Things Pinawa” for you to let us know where we can improve services for all is planned for early fall.

The Age Friendly Committee (Marsha Sheppard Pinawa Chamber, Clay McMurren Councillor, Nancy Bremner Pinawa CDC, Bill Early Volunteer, Martha Owen Volunteer, Connie Plunkett LGD of Pinawa, Pat Porth Two Rivers Seniors Council, Lloyd Rattai Councillor, Judith Simpson volunteer board member of Two Rivers and Alf Wikjord Volunteer) look forward to hearing from you on areas that could be improved for toddlers through to Seniors.

Many hands make light work

Thank you and congratulations to the staff, members and volunteers who worked so tirelessly (and so long) to host the first two rounds of the Manitoba Amateur July 20 and 21. I had nothing but compliments and kudos from the players and fellow Golf Manitoba volunteers regarding your efforts.

No one expected the first round to take as long as it did, and I would like to commend everyone for the great job they did when the going got really tough.

Once again Pinawa has exceeded its reputation for volunteerism, and the Pinawa Club restaurant has certainly redeemed itself in every respect. Thank you so much to Tracy and all her staff.

Greg Love and his pro shop staff were a great help and provided us with everything we needed without fail or delay. The installation of the wireless hookup was invaluable and meant that we didn’t have to take away valuable space in the restaurant or cram Golf Manitoba into the tiny office downstairs.

The golf course was in fantastic condition and provided an extremely tough test for the players; perhaps the toughest some of them have ever faced, judging by the scores. Without the spotters the scores would have been even higher - you all did a great job, and not one volunteer complained about the bugs or the rain. Richard Van Gend has done a great job this year and to have recovered from the record-setting rainfall Tuesday night was nothing short of a miracle. Many of the players are planning a return visit (under considerably less pressure, of course). Richard and his staff were on course late at night and even earlier than normal to get the course ready for play each day.

Don Daymond offered to coordinate the volunteers for this event and he did a fabulous job, also taking on the responsibility of arranging the administrative needs of Golf Manitoba staff. Every job was covered and even all three grandsons volunteered to help out, which was awesome. He left the course Monday at 5 pm to work from 6 pm to 6 am at the hospital, and was back at the course by 8. I don’t know how he does it, but I’m extremely grateful.

So to the shuttle drivers, the spotters, the scoreboard markers, the scorers, the runners, the driving range shuttle drivers and the spectators - thank you! thank you! thank you!

Louise Daymond

I will be in Moncton from Sunday until Friday. Please forward all ads/articles for inclusion in next week’s Paper NO LATER than noon, Friday.

The Pinawa Foundation - what makes YOUR Pinawa special?

Most people believe their community is special; usually because of the people or the setting or the clubs and special events that make their town a home. Pinawa is no exception.

A small group has been meeting for the past few months to reflect on the best way for us to leave a legacy to the place we have lived for so many years and experienced both the routine and the extraordinary events that life can bring; births and funerals; the first day of school or a graduation; a wedding, a first job or a retirement celebration, family picnics at the beach or walking along our river trail. As we reminisced, the question of what makes Pinawa special was asked over and over again.

Some of the answers were thoughtful and surprising:

- It takes an hour to get the mail because everyone wants to visit.

- The comfort you feel when you go to the birthday dance and see long-time Lions club members volunteering their time as they did last year and the year before.

- You just know you are going to get wet watching our parade.

- If your child falls and skins

her knee, she will be comforted and walked home by the helpful neighbour.

Some answers made us say "I love that about Pinawa":

- When you travel you almost always meet someone from Pinawa or they know someone from Pinawa, or they were from Pinawa and want to talk about the friends they had to leave.

- When you are out for a walk and the rain comes, someone almost always stops to offer you a ride home.

- Doctors that offer to make a house call to check on an ailing child or an elderly parent.

- Community events like fall suppers and EMCA concerts that are so often packed - you just want to be part of it.

- You can still meet and say thank-you to someone that helped build Pinawa; the first street, the first school, our hospital.

The Pinawa Foundation was recently established as a testament of how we feel about our town. Our foundation is a non-profit group focused on financially supporting the many groups and clubs in Pinawa. We chose a community foundation structure because it's set-up so our donations would help Pinawa forever.

Donations are invested by our partner, the Winnipeg Foundation, and we donate the investment revenue each year back to the community. The Winnipeg Foundation is one of the oldest, most respected community foundations in Canada. They work with most of the over 40 community foundations in Manitoba to help grow endowment funds and maximize returns for the communities. We will also be a member of the Community Foundations of Canada, a national body that provides advice and support as we grow our foundation

The Pinawa Foundation offers a variety of giving tools to help people achieve their charita-

ble goals. We have the flexibility to accept cash, appreciated stocks, real estate, or other assets, and can provide maximum charitable and tax benefits. Each individual donor and their families can also have a personal connection by specifying the ongoing uses for your dedicated fund — targeting the issues you care about most — whether it's health care, kids, the environment or another area. It's a simple, powerful, and highly personal approach to giving.

We are looking for board members, committed to the work and Pinawa. Experience in any of the areas of board governance (planning, policy development, finance, fund development, human resource management, investment, grant making, communications, etc) is a valuable bonus. We need people that help to create action around community opportunities and challenges. If you think you can help, please contact the Pinawa Foundation at 753-2446 or mail to Box 100, Pinawa, MB, R0E 1L0.

Bears on beach patrol

L. DAYMOND

This mama and her two young ones turned the tables on the public Sunday afternoon at the beach. Mom casually strolled onto the beach amidst several people, took a knapsack filled with peanut butter and honey sandwiches, then chose a nice shady spot under a tree for her cubs to enjoy their picnic. RCMP attempted to drive the bears off with cracker shells, to no avail. Finally, after the beach and pool were clear of people, the bears meandered over to the golf course and back across the highway. The late berry season is forcing the bears to find food elsewhere.

This week we start a series of hands where the key to success is counting the opponents' distribution, in each case turning a guess into a sure thing.

4♣ **Pass Pass Pass**

West's 2♦ was a Weak Two, showing less than opening values and a 6-card suit. East further crowded N-S by jumping to 4♦ and South tried 4♣. The good news for E-W was that they had bounced N-S into a poor contract, the bad news was that South makes her contract if she does a little counting.

West leads the ♦A and shifts to

the ♣T. East wins the Ace and returns the suit, vainly hoping that West can ruff. But Declarer's King wins the trick, then comes the ♠A, and a second Spade won by East. Declarer wins the Club continuation in Dummy, and leads the ♥Q which East declines to cover. What next?

Three tricks have been lost and Declarer must bring in the Heart suit for no losers if she is to make her contract. She can either play a low Heart to the Ace, hoping that East has started with doubleton King ... or she can lead

the Jack, hoping to squash West's doubleton Ten and set up the Nine. There's no need to guess this one. West has six Diamonds for his 2♦ bid, and has shown up with two Spades and two Clubs. That leaves three Hearts! So, Declarer plays a low Heart from Dummy and, sure enough, the King pops out of East's hand.

Of course, if East had known that Declarer would be so unsporting as to count out the distribution, then he would have covered the Queen with the King and given Declarer a guess for the ♥T.

Flower Show

Agassiz Garden Club's annual Horticultural Show is scheduled for August 16 and 17 at Lac du Bonnet Community Centre. It has been a discouraging year for gardening, but if everyone brings a few exhibits, we'll still have a good show. It's not just a flower show. You can display baking and preserves, crafts and photography, vegetables and fruit as well as cut flowers, arrangements, and planters. We encourage anyone who is interested in some friendly competition to pick up a prize list at /the Craft Basket/ and check out what you can contrib-

ute to the show. Nobody expects perfection. You'll pick up lots of tips from other exhibitors and our skilled judges.

Entry night is Sunday, August 16 from 5 to 8 p.m. The show is open to the public Monday, August 17 from 1:30 to 8 p.m. Entries are free and admission is by silver collection. Come view the exhibits and enjoy tea goodies with your gardening friends.

Drop-in Adult Basketball

Thursday Nights from 6:30pm - 7:30pm, at the Senior School outdoor Basketball court. This program will run from July 16th to August 27th.

Art Show and Sale a big hit on the weekend

Local and regional artisans and vendors had their work on display and for sale at the annual show held indoors at the community centre Pinawa Birthday weekend. The event was coordinated by the Pinawa Community Development Corporation and featured musical entertainment and a food vendor, as well. The jewelry, art and crafts were varied in design, but equal in the high calibre of craftsmanship and quality. *Photo by D. Daymond*

SUMMERTIME BLUES

by Peter Taylor

If you want to identify butterflies, try to get a good view of both the upper and under surfaces of the wings, which often have quite different patterns and coloration. This is not quite as difficult as it sounds, because many species continually open and close their wings while basking or feeding. These two views of a Silvery Blue, feeding on alfalfa nectar along Alice Chambers Trail on Sunday, illustrate the point. The sky-blue upper surface only allows me to identify it as a "blue", but the details of the spot pattern on the under surface are unique to the Silvery species. Normally their flight period would be over for the year by now, so this late sighting was a little bonus from the tardy spring.
